I joined Black Sand Commodities (Charterer of aprx. 90 bulk carriers) as Operation Coordinator in November 2022. I participated in several special tasks, and support Operation, Freight, Legal and Middle Office desks.

Director - Marine Surveyor (Oct 2015- Nov 2023)
KBL Marine, UAE

I co-established the KBL Marine – Fujairah branch and serving as a Marine Surveyor & Consultant. I carried out more than 900 marine surveys including P&I surveys, marine casualty surveys, vessel activation surveys, pre-purchase surveys, HazMat Surveys, bunker surveys, bunker quantity & quality disputes, on-hire/off-hire bunker & condition surveys etc. in 24 different ports. I attended several vessels as Port Captain and speed up marine operations.

I have also Managing Director responsibility in Fujairah Branch such as attending marine exhibitions, visiting clients, following operations, financing etc.

Marine Surveyor (April 2015- October 2015)
KBL Marine, Turkiye

I started my surveyor career in KBL Marine Turkiye branch. I conducted bunker detective, bunker quantity, onhire/offhire and condition surveys in Turkish and European ports. After I had enough experience, I moved to UAE to establish KBL Marine – UAE branch and expand our network to Middle East.

SNP Broker (October 2012 - April 2015)
Natural Shipping, Turkiye

I scanned the suitable tonnages for our Turkish owners, guided negotiations and prepared all necessary agreement for sale and purchase procedures. If required, I assisted from establishing offshore company to register vessels to flag and class. I found suitable demolition vessels for our scrapyards. I regularly prepared market reports and carried out several pre-purchase surveys.

Oceangoing Watchkeeping Officer (2010 - 2012)
Bergen Shipping, Turkiye

I served as Third Officer and Second Officer in several handy size bulk carrier vessels of Bergen Shipping, Turkey.

Operation Assistant (2007 - 2010)
Bergen Shipping, Turkiye

I started my maritime career while I am studying at Maritime Faculty. I followed up ISM and PMS documentation between vessels and office. Assisted agent correspondence and got experienced every step of managing vessels.
